Changing Season

On our cover, summer-yellow sunflowers on Water Street may soon drop their petals, but the ripening seeds will be an autumn delight for the neighborhood birds.

Above, cat-in-nine-tails rise majestically in a microcosm of autumn on the Mattapoisett River.

Senator Aleixo Brings Good News

MATTAPOISETT SELECTMEN'S MEETING
SEPTEMBER 19, 1989-by VIRGINIA MORGAN

State Senator Theodore Aleixo met with Selectmen last Tuesday with some good news - and some bad news. The Senator had his first visit with Selectmen since the redistricting brought him to represent 14 towns in Plymouth and Bristol Counties from Seekonk to Carver and from Taunton to Mattapoisett.

The good news first - He informed Selectmen the State Executive Office of Communities and Development will allow the Mattapoisett Housing Authority to use up to $20,000 to enlarge the present laundry to accommodate additional laundry equipment at Village Court.

"Unfortunately", Sen. Aleixo said, "the Housing Authority's request to use $250,000 of unexpended development funds to install an elevator and laundry on the second floor of Village Court was denied because the EOCD does not currently provide elevators in two-story elderly developments."

Now the bad news - "Next year the state will probably be just as badly off financially unless something drastic happens. We will have to tighten the belt. What has happened this year is a clear mandate to the legislators to find new ways to get new money for local aid. The federal government is out of the business of housing, revenue sharing and block grants. A big void is left for the cities and towns to deal with this problem."

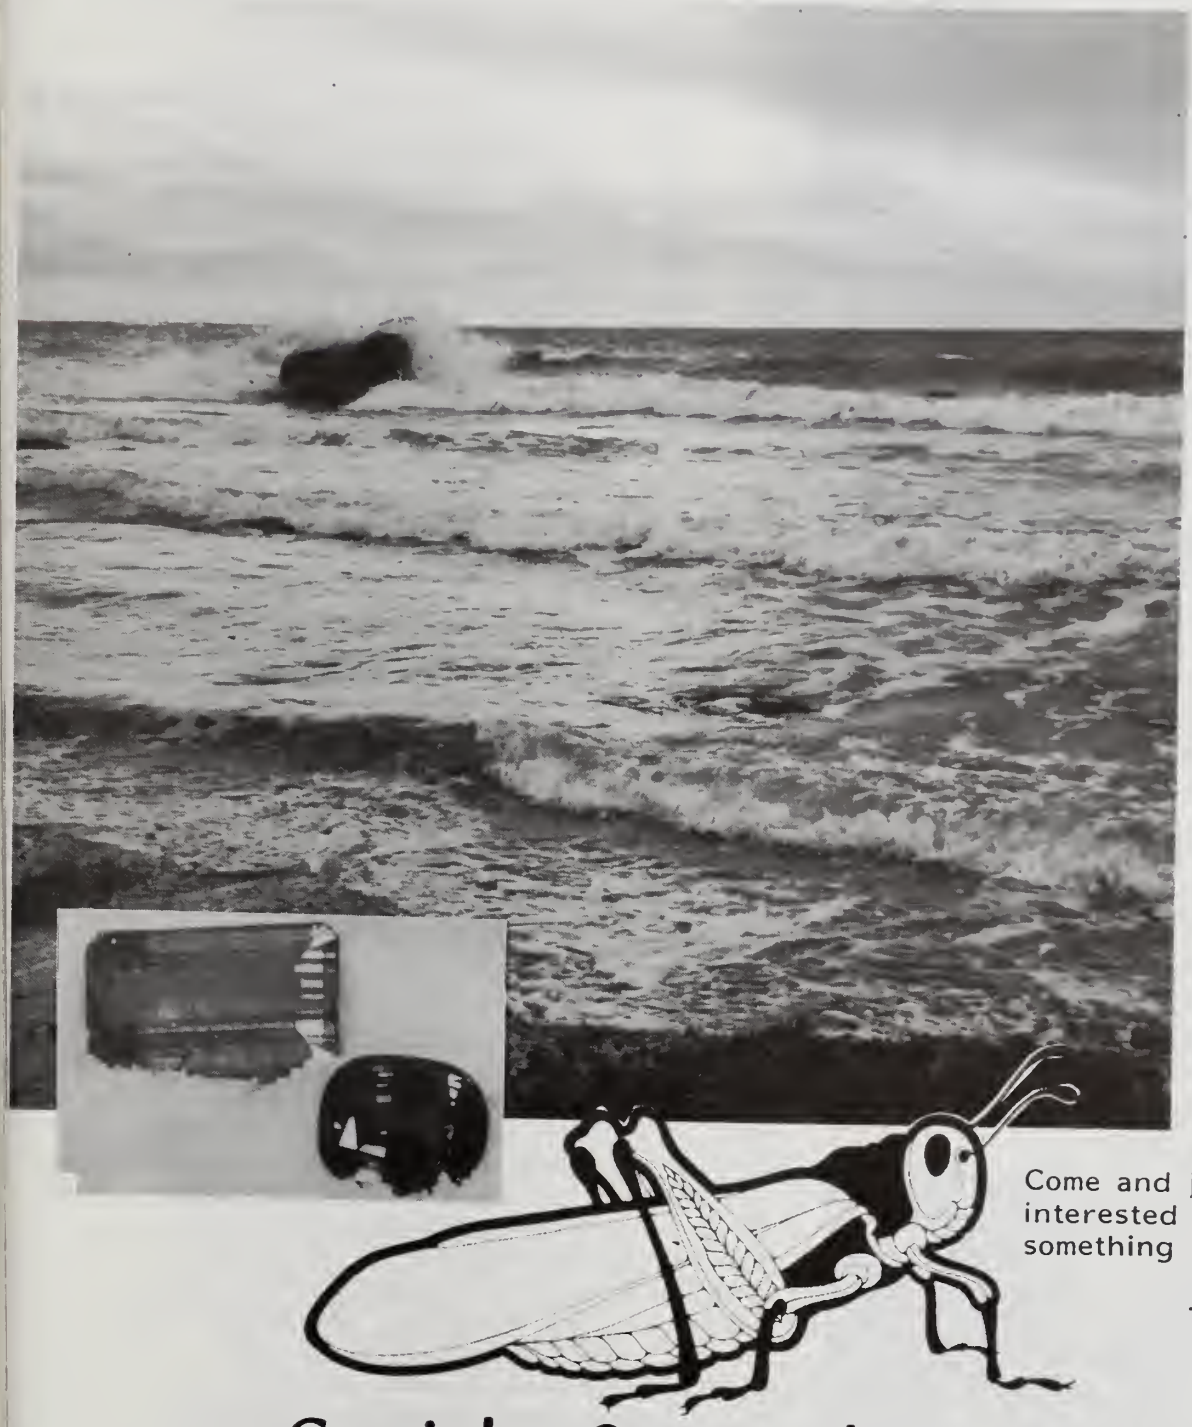
Selectmen Chairman Bernard F. Talty and Selectman John DeCosta reviewed the town's financial situation due to reduced state aid and override failures. "There will be no employee raises, as we would have to negotiate with an empty cup", said the Chairman.

Selectman DeCosta explained the town's levy limit is 2½ percent, $125,000; "we cannot even give five percent raises (estimated to cost $175,000) for town employees (not counting ORR employees). The changing formula hurt us. The county revenue now goes to the state, but should be kept in the county." The Senator said 75 percent goes to the House of Corrections; 15 percent to the Registry and 10 percent goes to the counties.

Senator Aleixo said, "This is sad, as everyone deserves a raise. You've done very well here; it's a well run town; many other towns are still struggling with their budgets. There is a feeling on Beacon Hill there has to be another method for towns to raise

WE HAVE BUGS.

That's right. Two bugs ...



100 million years ago, at the edge of the Baltic Sea, two bugs became suspended in the resin of prehistoric trees, resin which is now beautiful amber.

Amber red to yellow in color, one amber cabochon holds a termite suspended through all these eons. The other cabochon cut amber holds a large cricket.

These are one-of-a-kind pieces sure to increase in value.

Come and just look if you're interested in seeing first hand something from the ice age.

They're fascinating!

revenue. With the overrides we have to give communities a mechanism to modify Proposition 2½. If the state does not have revenue to make up 2½ we will continue to have deficits. Local communities will have to come up with other ways to raise revenues. There is a growing concern to give a town the capacity to modify 2½. The intent of 2½ was great, but we have to have resources to give raises."

Town Administrator Lois K. Ennis asked about legislation to allow towns under 10,000 to vote on override referendum questions the same night as the town meeting is completed rather than going to a separate referendum election date.

Chairman Talty explained the police department arrests people every day, then "we have to put them up overnight and an officer has to take them to court. We never collect any fees. Can we file for costs", he asked the Senator. Mr. Aleixo asked the administrator to put together a concept of the legislation wanted, then "I will put it into legal terminology for filing for legislation. We have to be creative with revenue."

In other business, Selectmen:

ANNOUNCED there is an opening for a Civil Defense Director. Applications may be made with the Selectmen's office. Selectmen have no objection to a retired person, as the state is conducting classes to train directors.

RECEIVED A LETTER from Mr. Charles Duponte, in conjunction with a copy of a letter sent to the Conservation Commission, Board of Health citing the concerns of 95 Point Connett residents regarding the

proposed development of Giles H. Dunn, which spans the land from Angelica Avenue to Fresh Pond behind Beach Road.

Mr. Duponte notes the developer invited residents to meet the architect and realtor to hear the proposal. "We were invited to participate in the development process, and, in response to this, we have formed a group 'Concerned Residents of Point Connett'. We are in support of the overall concept and hope to ensure that the development will proceed within the current zoning and subdivision control laws.

"Three areas of concern: 1) Delineation of wetlands and buffer zones in the proposed development area by the Conservation Commission. Our intent is to protect the Bay, the beach and Fresh Pond. 2) That we be notified of any meetings in relation to this proposal and others which may involve nonconformance to sub-division laws. Since the Point Connett development proposal is not in conformance with present zoning and subdivision laws, we wish to avoid spot zoning. 3) Given the fact of global warming and the anticipated one-foot rise in Buzzards Bay by the year 2010, and the area's history of hurricanes, we are concerned with the ensuring design criteria to address the one hundred year flood plain requirements."

AGREED to a fence separating the Mahoney property and town property at the rear of the old police station to prohibit access to Pearl Street. However, the Board did not agree to the placing of rocks on the property line, and they did feel the Mahoney family should pay for the fencing.

AGREED to support a state bill placed by the Plymouth County Commissioners

they are not in favor of a coal plant in the area.

RECEIVED A LETTER from the State Executive Office of Environmental Affairs commending Building Inspector Andrew J. Bobola "for his consistent and thorough review of project proposals. Mr. Bobola has taken the initiative to have available for members of the community four review (checklist) sheets that an applicant must follow in order to obtain a permit for construction in the 100 year flood plain. We commend Mr. Bobola and his assistant, Ms. Melody Mills, for a well-organized tracking system and a complete record keeping system.

"The 39 permits issued in the 100 year flood plain in Mattapoisett represent a significant amount of developments for 1988. Based on our field investigation and discussion with the inspector, all structures appear in compliance with the state building codes."

The agency did express concern about the Cove Road area, which is a coastal high hazard area with a number of existing structures that do not appear to be secured or anchored properly. While the National Flood Insurance Program has no

requirements upon existing structures, it is recommended that if any of these homeowners propose substantial improvements, the Zoning Board of Appeals and other town officials review these properties with special consideration.

Land Use Plan Zoning Changes Proposed

by VIRGINIA MORGAN

Eleven proposed zoning changes were presented by the Planning Board and Mr. Burk Ketcham, planner working with the board, to an audience of about 45 townspeople Wednesday at Old Hammondtown School, and received input before making definite worded articles for an annual town meeting. Mr. William D. Matthews, Planning Board Chairman, said the proposed zoning changes will require a 2/3 majority vote to become effective.

Mr. Ketcham showed slides on the 11 proposals and noted this is an effort to update the 1965 town master plan and to serve as a growth guide. He added that the primary concern should be an increased tax base for the town. A map of the town shown on the screen highlighted the conservation land (wetland),

industrial areas, business areas and a proposed new road from Route 6 near the A & P to the Industrial Park, with access to Route 195.

A policy planning chart, with community diagnosis objectives and implementation was outlined explaining there should be additional playground space in the Crystal Spring-Acushnet Road area; the fire station, town garage and water department are overcrowded, and he suggested building a new fire station on the police station lot and moving the water/sewer department to the fire station; Mattapoisett should take the lead to protect the water aquifer; a bikeway along the old railroad bed to connect with Fairhaven and Marion; Ned's Point Road change to prevent the wrong use of waterfront land.

The first proposed zoning change - Summer Conversions.

Chairman Matthews explained many of the seasonal houses on 5,000 to 10,000 square foot lots would not be buildable today; narrow roads are passable in the summer but dangerous in winter months. "Summer Conversions" is a real problem, he said. The Board of Appeals and the Board of Health would do an analysis of the septic system and adopt zoning to control changeovers. The planner said the Town of Sandwich has adopted such laws, and "we will probably need legal counsel to determine who can be denied making a changeover".

Resident Bradford Hathaway said there are many sensitive shore lots. How about lot size on the waterfront? The fault is measuring to mean low water mark. Mr. Matthews said serious consideration will be given this concern,"Even if it is difficult we shouldn't back out on it." Another question asked if the planner had been in

touch with the Buzzards Bay Project group on water access problems. Mr. Ketcham said he hadn't contacted them personally but that other town boards have and we are aware of these needs.

The second proposal is the Mattapoisett Aquifer Protection District. Under this district single family houses would be allowed on one acre. Polluting uses would be prohibited. Special permits uses allowed in underlying districts by the Board of Appeals. The planner said the proposals will allow Mattapoisett to take the lead as this town is downstream from Rochester. Robert Coquillette asked how does one define non-polluting uses, especially with Mattapoisett now having to change pipes once considered safe? Mr. Ketcham showed charts showing regulations and various pollutants saying this is the best available information at this time. Certain uses will not be permitted and the Appeals Board will have to vote on a special permit and will have the authority to hire an expert on pollutants.

Herring Inspector Antone Nunes said he can see the pollution in the Mattapoisett River now; why continue to pollute? Mr. Ketcham said "we are in a growth area. There are two sources - the non-point source which comes from a variety of sources to make one pollution site; the second way is a point source with pollution from a definite point."

Water/Sewer Commissioner Clifford D. Tripp explained funding is the major problem. "We are trying to repair North

Street original sewer." Commissioner Donald Wood said there are areas having problems with septic systems - this is a priority. Mattapoisett is part of the Aquifer Protection plan but extended sewers are a long way down the road. Mr. Hathaway said every brook and stream should be protected. The brook by the Aucoot town beach showed a 4,000 coliform count two weeks ago (closed to swimming is a 200 count); this could affect property values in town.

The third proposal is Site Plan Review/ Approval. This would apply to non-residential and multi-family structures in excess of a 200 square foot building site, marine residence, limited industry and would require a pre-submission conference with an environmental assessment fee. The proposal would be reviewed by the Planning Board and referred to other town boards, then go to a public hearing.

Chairman Matthews said any company coming in town should be analyzed on its use and a fee paid by the developer for study results.

The fourth proposal, Mixed Use Development, would add to the tax base and bring new employment said Mr. Ketcham. There would have to be a 50 acre site for light industry, office space and compatible retail. It would require a preliminary plan and application to the Planning Board, hearing and town meeting approval for district designation and site plan approval. Mentioned by the Planner was the land off

not in a hodge-podge way.

A question was asked about perc tests. Board of Health member Daniel C. Lee explained a new ruling from the state Department of Environmental Protection says the former percolation test of 30 minutes per inch has been relaxed so that it can be an hour's wait for percing results. He noted the town board will review this law; "we don't have to adopt it".

The fifth proposal concerns Cluster Housing which would be optional in R 30 and R 40 zones. This would preserve open space and could be placed on a minimum of eight acres. The number of houses would be judged the same as conventional subdivisions with a minimum lot area of 15,000 square fee. The Planning Board would issue a special permit, with review by other boards. As an example eight acres could contain eight houses by reducing the setback and placing them closer together. The balance of land would be preserved as underdeveloped land and not buildable, explained the planner.

Mr. Charles Duponte noted the proposed development of cluster housing for 16 homes on the property of Giles H. Dunn

on Point Connett with a joint septic system. He asked if joint septic systems are allowed and does this go to the Board of Appeals before a town meeting to vote on cluster zoning. Planning Board member Lawrence O'Pezio said the board is aware of the proposal and the Appeals Board has been approached. "We are considering cluster zoning changes and we will ask the Appeals Board to keep this in mind when they make a decision." On the question of multi use of septic systems, Health Board member Daniel Lee said his board had not received any formal notification, but that, no, they cannot use one septic system for all the houses. "Each house will have to have its own system unless it gets an EPA waiver, but I doubt the pressure of the Board of Health would allow it."

The sixth proposal, General Business District, would allow multi-family housing now only allowed with a special permit from the Board of Appeals. If there are no sewers it would be determined by the density of adjoining district. If there are sewers the density will be allowed up to 12 dwelling units per acre. The planner noted all present regulations on this multi-family use are not clear at this time.

IN THE HEART OF THE HISTORIC DISTRICT

The seventh proposal, Special Permit Guidelines, would allow the Board of Appeals to transmit applications to other boards for a 21-day review period to obtain written findings on traffic, natural environment and fiscal impacts. There are some written now but there are many gray areas in the descriptions, said Mr. Ketcham. He noted the fiscal impact would include the impact on schools, fire, police, water and sewer.

The eighth proposal involves Small Family Residence District with a future town meeting to designate district uses and will tie into affordable units.

The ninth proposal concerns Convenience Shopping District Zone whose purpose would be to allow convenience shopping areas on a maximum of 1½ acres, must be two miles from Route 6 and one mile from other designated district (one offering the same conveniences). It could contain retail shops for a day-to-day residential neighborhood shopping - no fast food or gas stations.

The tenth proposal, Water Dependent Use District, would keep the shore front from shrinking for the many people who use the boatyards and shore. The purpose would be to allow marinas, boatyards and related sales and services.

Atty. Edward Lawson said he represented 30 residents of Ned's Point Road (some of

whom were present and stood up) objecting to the Water Dependent District where the Mattapoisett Boatyard is located. It is now in a non-conforming use and a new district would allow the boatyard to change its use to a marina with subsequent shops, showers, restrooms and possibly condos allowed. If the boatyard is changed to single family, there will be a lot of people who will lose access to the water. Attorney Lawson cited new Chapter 91 Waterways laws now proposed that could require a new license for a change in use. With a district allowing a marina the special permit process could be subverted.

Mr. Ketcham said it is their intent to protect the use for the community. This is the major boatyard which serves the community located on the water. "It is possible we may need legal counsel for this proposal." Planning Board member Barry Denham noted any new marina would come under site plan review zoning proposal. Ned's Point Road residents Richard Prouty, Mason Smith and Richard Young voiced opposition to any change in the district but preferred to keep the boatyard as it is.

The eleventh proposal, Water Use Dis-

trict, covers a large area not zoned at this time, the planner said; the areas of salt or brackish waters seaward of mean high water. Allowed uses would be recreation, boating, aquaculture. Special permits from the Planning Board would allow for marinas, piers and boat ramps.

A comment from Peter Kortright, member of the Growth Management Study Committee that started the town on the road to land use and management, said, "You have a lot on the table right now. It will have to take a lot more understanding of townspeople. I feel business owners and large landowners should be included in these plans to rezone to know where you're coming from." Enforcing regulations should be stressed, Mr. Kortright said.

In concluding remarks, Chairman Matthews said the funding from Keller Company allowed them to obtain the experience and knowledge of Mr. Ketcham to help with planning. "I'm still a strong activist for a full-time town planner. This part-time board could no where accomplish this without a planner. This is a very concentrated piece of work by the Planning Board and 30 groups working with Mr. Ketcham."

Women's Community Guild

The Women's Community Guild will meet on Tuesday, October 3rd, at 2 p.m. in Reynard Hall of the Mattapoisett Congregational Church.

Lorraine Bryant is the greeter and Madeleine Furnans will lead devotions. Tea Chairman Jane Welch and her committee will serve refreshments.

Gail Miller will show slides and speak on the work of SERRV, a non-profit marketing organization whose purpose is to promote social and economic progress in developing regions by purchasing and marketing their handcrafts in a profitable manner. The meeting is open to the public.

Workshops to prepare for the All-Church Fair on November 4th will be held at the church from 10 a.m. to 1:30 p.m. on September 26th, October 10th and October 24th.

Fire Prevention Week

Fire Prevention week is October 8 to 14. There will be an open house at the Mattapoisett Fire Station on October 8th from 1 to 4 p.m. Everyone is welcome.

Playground Work Day

PLAYGROUND IMPROVEMENT COMMITTEE

The Playground Improvement Committee will have a "work day" at the Center School Playground on Sunday, October 1st from 12 to 3 p.m. Workers are needed to rake stone, paint benches and stain equipment. Come and help out. Bring the children. Any questions call Tom Grondski at 758-6219 or Kathy Hickey at 758-6597.

There will be an organizational meeting of the Playground Improvement Committee on Monday, October 23rd, at 7:30 p.m. at the Town Hall Conference Room. All parents and interested citizens are welcome. Come share your ideas and learn more about our future goals.

Machacam Club

The Machacam Club will begin its 75th year with its first meeting on October 4th at the American Legion Hall on Depot Street, Mattapoisett. The social hour will begin at 5:30 with dinner served at 6:00.

This month's speaker will be Captain Adrian Lonsdale. His topic will be a video tape report on his latest scientific and research voyage to the Greenland Sea. As

usual, Captain Lonsdale's presentation promises to be a "don't miss" event.

Recent budget reductions have done away with free personal toileteries at the Brockton Veterans' Hospital. In cooperation with the Florence Eastman Post American Legion, a container will be present at all Machacam meetings for the collection of personal size toiletries for donation to the patients at the VA. Among the items needed are small containers of shaving cream, shampoo and deodorant as well as razor blades, combs, etc.

Callers are reminded to report their lists by 9:00 p.m. Monday, October 2nd. Last minute changes may be made by calling Mike Lamoureux at 758-9311.

Special Needs Advisory

MEETING SCHEDULED

Pursuant to section 23A, Chapter 39, general Laws, you are notified that there will be a meeting of the Special Needs Advisory Council at 7:30 p.m. on Tuesday, October 3rd, at the Old Rochester Regional Junior High School, 135 Marion Road, Mattapoisett.

Mattapoisett Seniors' Mini-Fair

The Mattapoisett Seniors' Club's only fund-raising event of the year is scheduled for October 14 from 9 a.m. to 2:30 p.m. in St. Anthony's Church Hall.

The mini-fair features will be a food sale and sale of attic treasures and books. For the convenience of patrons, Coffee An' will be available.

Club members and community area residents are to be asked to donate food,

"Messiah" Now in Rehearsal

D.S. HAGEN PERFORMING ART SERIES HOLIDAY CONCERT

The David S. Hagen Performing Arts Series will present a holiday concert of Handel's "Messiah", the well-known Christmas choral masterpiece. The performance will occur on Wednesday, December 6th, at 7:30 p.m. in the Gilbert D. Bristol Auditorium of Old Rochester Regional High School. You may remember last year's presentation of Vivaldi's "Gloria" as a highlight of the holiday season. Bringing together staff and students from the district, as well as members of the communities at large, "Gloria was a beautiful evening of Christmas music that began the local holiday season most fittingly.

Unified arts Coodinator for the O.R.R. District, and Jean West, teacher of music at the Center School in Mattapoisett, the project is currently seeking male singers for this performance. Rehearsals have begun and will take place on Thursdays from 3:30 to 5:00 p.m. in the high school music room. Those interested should contact Susan Layton at 758-4929.

Handel's "Messiah", more well-known to the general public than even Vivaldi's "Gloria", promises to be another spectacular evening of Christmas classics.

Congregational Church

You are welcome to join us for our worship service at the Mattapoisett Congregational Church which begins at 10:30 a.m. The title of Rev. Raymond Patch's sermon will be "Is It Raining?"

"Stewardship" is a broad term which applies to the way we conduct our daily lives. God calls us to recognize where we are in life, the blessings we have had and still have, and to use our gifts well. What should our focus be? How will we benefit ourselves and others by the way we use our resources?

Council on Aging Trips

The van will be going to the Vanity Fair Outlet and the North Dartmouth Mall on Tuesday, October 3rd, leaving St. Anthony's parking lot at 2 p.m.

ford Nutrition Center, who donated the fruit and cheese and cracker trays for the party.

Mr. Brune said in his job there have been many people who have helped him, noting Mr. Joseph Perry, who was one of the first people he met in Mattapoisett. He added that Mattapoisett is one of his favorite places. He extended congratulations to the cooperation of everyone in Mattapoisett working for the benefit of seniors. The director said he wanted to pay special tribute to a wonderfuly lady who has been helpful to him; "that person is Eleanor Lynch, she has been my sounding board. Mattapoisett should also be proud to have someone of George Avila's talents on the Council on Aging volunteering his time for the seniors."

"Cool Reading Cards" when they check out and read books from the Plumb Library in Rochester.

Sponsored by the California Raisin Advisory Board in cooperation with American Library association, the program will be offered to youngsters between the ages of 6-11 beginning October 2.

The program will be limited to a total of 96 young readers on a first come, first serve basis. When children enroll in the Reading Program they automatically become members of the California Raisin Cool Readers Club. This entitles them to receive their first colorful collectible Cool Reading Card featuring a California Raisin. Every time they read three books they'll receive a new Cool Reading Card starring a new Raisin character to add to their collection - four great cards in all. They'll have three months to read a total of 12 books.

Top Raisin Readers who complete the program successfully by the end of the year will receive a national awards certificate suitable for framing and a fun Raisin pencil topper.

"We think this is a wonderful program that can introduce children to the joys of reading books," says Sheila Flaherty. "Children love the California Raisins. We're pleased

DELIVERIES in Mattapoisett & Vicinity & Greater New Bedford
Monday through Friday 9 to 5:30; Saturday 9 to 5

From Mattapoisett Conservation Commission

The Mattapoisett Conservation Commission agreed at its regular meeting of September 19, 1989 to issue a statement expressing the concern of its members about the proposed SEMASS contract to take over control and operation of the town landfill.

The Commission determined that it was appropriate to highlight its reservations with the proposal under the Commission's role in preventing pollution and dealing with related watershed issues.

Does SEMASS have the Management Capability to Operate the Landfill? According to an audit conducted by a private consulting firm, SEMASS has already had serious operating problems with another landfill which it manages in the Town of Carver. According to an audit conducted for the owners of the property where the landfill is located, SEMASS has had problems with leachates into groundwater, monitoring of incoming waste and a lack of operating and monitoring knowledge by

supervisory personnel. Details of this audit were reported in the Middleboro Gazette in June of this year.

It seems apparent that many contracts are only as good as the people and the organizations that will administer them. In this case, the town is being asked to accept the operating skills of SEMASS when as an organization it has limited experience; what experience it has, is apparently highlighted by operational difficulties.

Will Hazardous Waste be Adequately Identified by SEMASS? Since SEMASS has contracts to accept waste from many communities, what assurance is there that industrial waste from larger cities will not find its way to the Mattapoisett landfill, thereby having an impact on groundwater resources? It has already been reported that SEMASS incinerated 17.8 tons of shredded automobiles in early February of this year without any state authorization. Since these shredded automobiles contained PCBs, heavy metals and waste oil, it is possible that these wastes could find their way to Mattapoisett in the future, should SEMASS decide not to incinerate these wastes.

Will an Additional Landfill area have to be Prepared When the Current One is Used

Up? Not all wastes are accepted by SEMASS. Waste in certain categories cannot be accepted by SEMASS and the town will still have to find a place to dump these materials. It seems clear that if SEMASS is allowed to take over control of the Mattapoisett landfill then the expected life of the current landfill area will be drastically reduced. As a result the town will be forced to expand the remainder of the state approved dump site.

What Oversight will the Town Have of SEMASS' Operations? The proposed contract purportedly requires a thirty-six (36) hour written notice for town inspection of its own landfill. What is the logic of such a requirement?

The Mattapoisett Conservation Commission urges town residents to consider these issues when the SEMASS contract is presented to Town Meeting later this fall.

Mattapoisett Conservation Commission

Awareness Hours

The Marion Center Associates Foundation cordially invites area residents to the second in a series of awareness hours, to be held Saturday, October 7th, from 10:00 a.m. to 12:00 noon at Saint Gabriel's Parish Hall in Marion.

This awareness hour is entitled "Working on ACOA Issues: Why Bother?" and will feature a panel of adult children of alcoholics who will share their experiences working on ACOA issues in their own recoveries. The panel discussion will be moderated by Ms. Nancy Mahoney, a certified alcohol counselor, and Dr. Arthur Sklut, a pyschologist, both with the Marion

Center Associates.

"This awareness hour is especially for people who are just starting to deal with some of the many difficult issues related to having grown up with an alcoholic parents," Ms. Mahoney comments. "The panelists will be sharing their strength, hope and experience working through these issues. What are the benefits of doing this work? How does it change your life? It may hurt at first to look at the pain and the losses of having been raised in an alcoholic home. Why bother? Our panelists will share some answers from their own lives -- and offer some hope, support and inspiration."

Panelists will represent and discuss a spectrum of different approaches to doing ACOA work, including workshops, self-help and 12-step groups, individual therapy and group therapy. The panel discussion will be followed by a question-and-answer session. The program is free of charge, although donations are welcome. All proceeds will go to the Marion Center Associates Foundation to support the awareness hours. For more information please contact the Marion Center Associates at 748-2850.

Globe Theatre

"YOUNG DIRECTORS SERIES" ON THE ROAD

The Globe Theater Troup, Inc., whose home base is the Rochester Woman's Club, is presenting a series of plays staged by young directors of the area. The first in this series, John Osborne's Look Back In Anger, will be directed by Mr. Eric Spender of New Bedford at the Marion Art Center, 80 Pleasant Street, Marion on Thursday, October 12th, at 8 p.m., and will continue Fridays and Saturdays, October 13, 14 and 20, 21 at the same hour. The Troupe hopes to provide directors the opportunity to practice their art. Although new to the Globe Troupe, Mr. Spencer is well known to local audiences having directed several plays in Wareham including Agnes of God, Jesus Christ Superstar and Oliver!.

Look Back in Anger opened at the Royal Court Theatre in May 1956 and rocked British theater audiences back on their heels. Lulled for years by a series of trivial plays, the English greeted this new work with great excitement. In the United States Look Back in Anger won the New York Critics' Award for the best foreign play of 1957. Although written 30 years ago this play has come full circle and relates strongly to events of today. Jimmy Porter, the central figure of the play, dramatizes not so much the angry young man of the 50s-60s, but the disappointed, questioning veteran or radical of those times who has seen his or her dream come to naught.

The year-long "Young Directors Series" will be presented at various theaters in the area including the Marion art Center,

eye talk

Q. I can't see my video display terminal screen clearly with my bifocals. Is there a solution?

A. You may need to switch to trifocals, at least for wear on the job.

Trifocals give you three lens prescriptions--one for distance, one for near and one for intermediate distances, which is where your VDT screen is.

New wide-band trifocals have been developed specifically for VDT users. They provide not only a clear view of the VDT screen but also a full view. Regular trifocals provide only a partial view, so the wearer has to move his or her head to see the full screen from top to bottom.

The first step in relieving VDT-related eye complaints, however, is to have a thorough eye examination to diagnose and correct existing vision problems or inefficiencies. VDT work can aggravate these.

After evaluating your vision and reviewing your on-the-job vision demands, your optometrist can determine how to solve your work-related vision needs.

Commended Students

IN THE 1990 MERIT PROGRAM

The Principal of Old Rochester Regional High School, James Egan, has announced that Michael Jackson, Laurie Medeiros, Timothy Titcomb and Heather West have been named Commended Students in the 1990 National Merit scholarship Program. A Letter of Commendation from the school and National Merit Scholarship Corporation, which conducts the competition, will be presented to these outstanding seniors.

About 35,000 Commended Students nationwide are being honored for their outstanding performance on the 1988 PSAT/NMSQT, which ranks them in the top five percent of more than one million students who entered the 1990 Merit Program by taking the qualifying test. Commended Students scored slightly below the level required to continue in the 1990 competition for Merit Scholarships, but they have shown exceptional academic promise.

An official of the Merit Program stated that "to be designated a Commended Student in this extremely competitive program is an attainment deserving of public recognition and is a credit to these young people and their schools. Commended Students were included in a Merit Program service through which they could be re-

Brink as soloist.

Also featured on the program will be harpsichordist Mark Kroll who performs C.P.E. Bach's Harpsichord Concerto in D Minor. Rounding out the concert is Mozart's "Eine Kleine Nachtmusik" and Mendelssohn's Sinfonia No. 10.

Robert Brink is founder and concertmaster of the Boston Classical Orchestra and is well-known throughout the United State, Canada and Europe as soloist, recitalist and concertmaster. He has recorded some 30 works on various labels and for 40 years has been a senior member of the string and chamber music faculties at the New England Conservatory.

Mark Kroll is well-known as harpsichordist for the Boston Symphony and frequent soloist with many New England performing groups.

The Boston Classical Orchestra gave its first performance in Faneuil Hall in May 1980 and has been performing there ever since. The orchestra is made up of outstanding professional musicians who play the music of classical composers and works with roots in the classic tradition.

Harry Ellis Dickson has led this orchestra since 1983 and today continues in the role of Associate Conductor Laureate of the Bos-

Star Watch

Ever wondered what stars and planets you can see at night? Join the Lloyd Center and Krystal Tolley Saturday, October 7th, from 7:00 to 9:00 p.m. for a Star Watch. By looking through a telescope, you will explore the craters, mountains and valleys of the first quarter moon. Also visible will be Saturn, "the ringed planet", distant galaxies, regions of star formation, star clusters and dying stars. Telescope will be available, or bring your own. Binoculars are a plus. Naked eye observing will also be highlighted. Warm clothes and hot drink and snack are recommended.

To register for this free program or any Lloyd Center program call the Lloyd Center at 990-0505. Space is limited so register today.

Sewage Treatment Options

Sewage flow into our harbors and bays is an increasingly visible problem. Do you know how your waste water is treated and how it is disposed? Learn what your individual sewage options are and how your town and state officials are managing the sewage problem.

"Sewage Treatment Options", the last in a series of Buzzards Bay Issues workshops, will address these questions and others of

concern to towns in the Buzzards Bay watershed. The session will be held on Saturday, October 14th, from 9:00 a.m. to 3:30 p.m. at Clark 5, Woods Hole Oceanographic Institute. Pre-registration is preferred, but registration at the door is available as long as space remains.

To register for this workshop please call the Lloyd Center at 990-0505. The fee for this workshop is $5., which covers the registration materials and lunch.

Now is the time for people concerned about the future of Buzzards Bay to get involved. Local government officials, representatives of environmental organizations and private citizens can make a difference by participating in these workshops. Your input, comments and feedback are essential to the successful implementation of a master plan intended to protect and preserve Buzzards Bay.

Jan Smith, a water quality specialist for the Massachusetts Coastal Zone Management, will facilitate the workshop and direct discussion on individual sewage options, septage and sludge management and private wastewater treatment plants. Also being discussed are the limitations of Massachusetts Title 5 Program, the balance between land and water and the disposal of waste water.

The workshop is co-sponsored by the U.S. Environmental Protection Agency, the MA Executive Office of Environmental Affairs through the Coastal Zone Manage-

SEMASS Run for Environment

The annual SEMASS Run for the Environment will be held on October 14th adjacent to the SEMASS Waste to Energy Facility on Route 28 in Rochester. The starting time for the run will be 10:00 a.m. All entrants must pre-register by October 2nd.

There are several run categories which people may enter. The Designated Run Category allows one runner from each contracted community who will compete for prize money awarded to the represented community for an environmental project of its choice. First, second and third place trophies will be awarded to the runners.

Additional categories include 10K Open, 5K Open and a Non-competitive 5K Walk.

Trophies will be given in each division. T-Shirts will be provided to all those who register.

Fun, food and education will be part of this day-long function. Bay Colony will provide a train for free scenic rides. There will be tours of the SEMASS Facility, free food for all. The New Mattapoisett Concert Band will provide music, and a juggler, face painting, clowns and games will round out the day.

Everyone is invited to attend this fun-filled day. Cheer on your community's runner, or enter one of the run or walk categories yourself.

For additional information please contact the SEMASS Partnership at 291-2190.

Chuck Mangione, Oct. 5

JAZZ AND POPULAR MUSIC

The irrepressible Chuck Mangione, whose brand of jazz and mainstream popular music appeals to music lovers around the world, returns to New Bedford's Zeiterion Theatre October 5th at 8 p.m. for an Evening of Jazz, sponsored by Freestone's Restaurant and Bar. Four years ago, his sold-out performance was a season highlight.

Mangione's music is characterized by a

boundless energy and enthusiasm that listeners immediately feel. Here's a man doing what he has always wanted to do and loves it. Warm tones and compositions have always been Mangione's strong points on the flugelhorn, a trumpet-like instrument.

Mangione's performance is the sixth Evening of Jazz sponsored by Freestone's. This year, Freestone's is dedicating its sponsorship of An Evening With Chuck Mangione to Charles Monteiro. Mr. Monteiro was a former Freestone's staff member, who worked for the restaurant from March 9, 1979 (opening day) until three years ago when illness forced him to retire.

of the Heritage Plantation Antiques Show, September 29th, 30th and October 1st.

It will be a Silent Auction, but with open bidding so that bids can be increased until the final sale, 2 p.m. on Sunday, October 1st.

The Museum will accept no starting bid under $4,500. There will be no buyers' premium and winning bidder need not be present at final announcement.

All proceeds will be added to the Antiques Show receipts, which will benefit the Plantation's Exhibition Program.

TOWN OF MATTAPOISETT, MASSACHUSETTS
INVITATION TO BID FOR
REPAIRS AT PUBLIC LIBRARY

Bids will be accepted in the Mattapoisett Public Library, located at 7 Barstow Street, Mattapoisett, MA. 02739 to replace the roof, repair chimneys and damaged ceilings at the Library. Bids will be accepted until October 12, 1989 at 2:00 P.M. at which time said bids will be publicly opened and read. Notice to Contractors: Specifications are available at the Mattapoisett Public Library Tuesdays, 1-6; Wednesdays, 12 - 8; Thursdays, 1 - 6; Fridays, 11 - 6.

The Mattapoisett Board of Library Trustees reserves the right to reject any or all bids, and to award said bid to other than the lowest bidder if it is deemed in the best interest of the Town of Mattapoisett or to waive any technical defect in the bidding that the Town does not consider to be prejudicial to any other bidder.

The proposed work is exempt pursuant to the provisions of G.L. c.149 s.44A-M.

A Salute to France

The Bristol Philharmonic Orchestra and Chorus will present A SALUTE TO FRANCE, a musical program honoring the bicentennial of the French Revolution, at New Bedford High School on Sunday, October 1st, at 3 p.m.

The concert has the distinction of being an official program in New England's celebration of the bicentennial of the French Revolution. The concert committee has worked closely with the French Cultural and Scientific Services Office in Cambridge, MA.

Music of the great French composers will be performed by the 65-piece orchestra and 90-voice chorus under the direction of George J. Campeau, Jr., conductor. The program will include: The Tales of Hoffman: "Bacarolle" by Jacques Offenbach; Clair de Lune by Claude Debussy; Pavanne for a Dead Princess by Maurice Raval; Overture to "Orpheus in the Underworld" by Offenbach and more selections.

The Consul General of France in Boston, Alain Briottet, will be the guest of honor. French organizations will be represented.

Olde English Faire

ST. ANDREW'S CHURCH-OCTOBER 14

For the sixth year in a row, St. Andrew's Episcopal Church in New Bedford's north end will be holding an "Olde English Faire" featuring tradtional English delights such as raisin squares, trifle, maid-of-honors, lemon cheese, and the ever-popular meat and potato pies. A taste of these may be enjoyed in the Tea Room or at luncheon served in the Lancashire Pub. Luncheon reservations are suggested and may be made by calling 995-0748. Take-home sweets are available from the Sweet Shoppe, frozen meat and potato pies from the Pantry. The Faire will also feature handmade crafts, jewelry, a children's room, a raffle, white elephants, and a Chinese Auction. The church is located at 169 Belleville Road between Acushnet Avenue and Ashley Boulevard, New Bedford. The Faire will run from 10:00 a.m. to 3:00 p.m. Don't miss this unique yearly event.

COSMETOLOGY SERVICES

Area residents may take advantage of hairdressing and related beauty services at Old Colony Regional Vocational Technical High School in Rochester. The Cosmetology Department welcomes appointments daily starting at 8:00 a.m. Inquiries and appointments can be made by calling 763-8011, Ext. 37.

OLD COLONY RECEIVES GRANT

Recently Old Colony Regional Vocational Technical High School was awarded a Commonwealth In-Service Grant to conduct a Special Education Training Course at the school.

The $2,091.00 Grant will allow the school to offer a graduate level course entitled "Vocational Education Programming for Special Needs Students". The course will be conducted at Old Colony by a faculty member from the University of Massachusetts-Boston.

According to Nancy Castino, the grant convenor, the course will assist faculty

members in teaching students with learning disabilities. The course is the second in a sequence of five courses leading to certification as a special needs vocational instructor.

Although the grant was written for Old Colony instructors, teachers from Greater New Bedford Vocational, Diman Voke and New Bedford schools will also attend.

PROJECT SPOTLIGHT

A Mattapoisett resident is among four juniors at Old Colony Regional Vocational Technical High School in Rochester who will participate in the Spotlight Program at Southeastern Massachusetts University. Dennis Tripp, a junior in the carpentry department, will begin the after school program on September 21st.

The Spotlight Program at Southeastern Massachusetts University is an enrichment activity which provides a bridge into higher education for high potential 10th and 11th graders. The curriculum introduces students to the larger realm of creative intellect, artistic endeavor, social consciousness, and personal commitment. The Old Colony students will join students from twenty other high schools in southeastern Massachusetts.

Also selected for participation were Suzanne Mercier, Jason Casmira, and Paul Strobis.

Century III Scholarships

High school students with outstanding leadership ability can win a $10,000 college scholarship and meet some of America's top business and government leaders.

The opportunity comes in the annual Century III Leaders program, which awards 249,100 in scholarships. High school seniors in public, private, and parochial schools are eligible to enter Century III, which is sponsored by the Shell Oil Company Foundation and administered by the National Association of Secondary School Principals (NASSP).

Competition begins at the school level where students must complete an application stressing their community and school service and academic achievement, take a current events exam, and write a two-paragraph description identifying a challenge facing America in its third century. The entry deadline is October 19.

School winners are eligible to compete at the state level where two winners are announced in January. The winners each earn $1,500 college scholarships and all-expense paid trips to the Century III National Conference in Colonial Williamsburg, Virginia, March 2-5. Two state alternates each receive $500 scholarships, and six other finalists get $100 scholarships.

"The 102 state winners have a tremendous opportunity at the national meeting", said Dale Hawley, director of NASSP's Division of Student Activities. "They spend four days with some of America's top government, education and business leaders, discuss the challenges facing this nation, and make recommendations to solve those problems. Frank Richardson, Shell Oil's president and chief executive officer, spends time throughout the meeting with the students. It's a rare opportunity."

America's top student leader is also named at the national conference and receives an additional $10,000 college scholarship. Nine national finalists each win additional $500 scholarships.

Applications are available in the ORR Guidance Office.

College Reps at ORR

Throughout the fall numerous college admissions representatives will be visiting the Guidance Office at Old Rochester Regional High School. These visits provide seniors with an opportunity to learn general information about a variety of colleges and universities and to ask specific questions. Seniors wishing to speak with visiting representatives must sign up in Guidance in advance. The following list includes schools currently scheduled to visit:

Helping You Stay Healthy..Tobey Hospital

Filling Up with Fiber

Adding fiber to your diet is a real plus --
for your health. Fiber can help reduce your risk for certain types of cancer, lower cholesterol, and help with weight reduction.

IT'S GOOD FOR YOU!!!

It's easy to include fiber in your diet.For a free informational packet, including recipes, call 295-0880, Ext.205

Tobey Hospital, Inc.
43 High Street,
Wareham, MA. 02571

ready too; Monday-Wednesday-Friday/Tuesday-Thursday, or all week; $3.00 a day; pre-registrations required, YWCA (999-3255) and first week free.

Beginning Monday, October 16th, the Bay State Centers for Displaced Homemakers will offer an eight week workshop (meeting twice weekly, days to be selected by group members); topics to be covered: self-esteem, communications, goal setting, assertiveness, job search skills; no charge; call the YWCA for more info.

Wednesday, October 11th, Friendly Visitor Program Roundtable meeting, 1-3 p.m., at the YWCA, Therese Kelley from WHALE will show slides and speak on downtown planning and preservation. The public is invited to attend.

On Wednesday, October 25th, from 1 to 1:30, Kate Gendron and accompanist will present songs from the 50s and 60s at the Buttonwood Park Senior Center. The public is invited.

Heritage Plantation

"Florals and Botanicals" is the final changing art exhibition in the Old Barn Gallery at Heritage Plantation. The show which opened Sunday, September 24th, will run through October 29th.

Brian Doherty is an artist and art educator who lives in Marshfield. His floral paintings are a delight. Using flat pattern, interesting textural effects, glorious color, excellent design and composition, Doherty achieves stunning results that are sure to please the most discerning viewer. He will also show some period hand-colored engravings.

A 1950 graduate of Massachusetts College of Art, Doherty earned his Master's Degree in 1975. He has taught in the Greenwich, CT school system, the Weymouth school system and is currently teaching art at North Quincy High School.

Doherty has been active on the Boards of the South Shore Art Center in Cohasset and the Scituate Art Society. He has also helped found and organize the North River Arts Society in Marshfield. Doherty is a former member of the Copley Society. He exhibits regularly in various South Shore Art Shows and galleries.

Many of the works in the show are for sale. For information on purchasing any of these items, visit the Museum Store on the grounds.

Heritage Plantation is three miles from the Cape Cod Sagamore Bridge, exit on Route 6A, then go right on Route 130 to Pine Street and the Museum.

Admission prices are adults, $7.;

"The Nerd"

PRESENTED AT SMU BY THEATRE COMP.

Southeastern Massachusetts University's Theatre Company will begin its 1989-1990 season with the comedy "The Nerd". The play will be performed at 8 p.m. September 28-October 1 in the Campus Center auditorium.

Parking is in lot 5. For more information call 999-8167.

Written by Larry Shue, the comedy concerns an architect who is visited by the unusual man who saved his life during the Vietnam War. The play had long runs both on Broadway and in London.

Tickets are $4.50 for the general public and $3.50 for SMU students with IDs and senior citizens. Subscriptions to the Theatre Company's six play season are also still available, at $18. for the general public and $13. for SMU students and senior citizens.

MARTHA'S VINEYARD
YOUR ISLAND NEXT DOOR

The unspoiled charm and proximity of Martha's Vineyard Island make it a favorite getaway. No matter how long your visit, the Island has much to offer anyone looking for a quiet retreat or a fun-filled time. Part of the fun of visiting the Island is sailing aboard the Ferry Schamonchi. Since it departs from historic New Bedford, the Schamonchi offers the convenience of avoiding Cape Cod traffic. You'll sail in comfort during the 1½ hour cruise - roaming three decks or eating at the snack and cocktail bars.

DIRECTIONS

From Route I-195 take Downtown Exit 15 (Route 18 South). Continue on Route 18 to third set of lights, turn left and follow signs to our day and overnight parking lot across the street from the Schamonchi Docks and Billy Woods Wharf. Limited Shuttle Bus Service available to the Elm Street garage.
